From the Principal

This is the last Pipeline for 2016. What a year it has been. Mrs Harris has been busily working on the magazine to capture this year and I am sure you are as eager to see this as I am. Mrs Harris does a fantastic job putting the school magazine together, spending countless hours on getting it right. If you would like to order one please contact the office before the end of tomorrow.

Tomorrow is the last breakfast for the year and it is a community breakfast. I completely understand how busy the majority of our families are at the moment with harvest but if you are available to pop in we'd love to see you.

Monday is our Awards and Concert night, shared tea starts at 5:30pm with the awards starting at 6:15pm. If you are able to make it for tea please return your meat order for catering purposes.

Transition has been very successful with all students moving up to their next year level. It has allowed our 2017 Preps to experience actual school life, our new year 7 students to go to “secondary” school and our VCE students to begin their Unit 1 & 3 studies. This is especially important for our VCE students as there just isn’t enough time in the “normal” school year to get all the learning covered for them to be highly successful, therefore getting the jump early and the students being able to do some required home study over the summer gives everyone a “flying start”.

Reports will be given out at awards night. If you would like to follow up on anything please contact the school and we will arrange a time.

We have been lucky to have all our 2017 staff with us for part or all of this week. We welcome Mrs Anita Knight, Mrs April Bradford and Mr Chris Harris to Werrimull P-12 School. This has been an opportunity for the students to get to know them and vice-versa.

I hope to see you all on Monday night and lastly I’d like to wish you a very Merry Christmas and safe holidays.

What’s Happening

This week, December 5–9, is Flying Start/Transition week. The 2016 four year olds will continue to experience Prep on Thursday and Friday while the 2016 three year olds were four year olds for the day on Tuesday. Tuesday was also the transition morning for our 2017 three year olds. All of our 2017 group had a great day and are looking forward to next year.

Enrolment paperwork for 2017 was sent home yesterday, please check your child’s bag for the envelope and return it on Monday.

The last day of kindergarten is this Monday, 12 December, due to the end of year Awards Night and Concert. It is an early finish to allow students to go home, rest then come back ready for a busy evening. The kindergarten students (three and four year old) will be presenting a number in the concert and the four year old group will be receiving their graduation certificates on the night.

This Monday is also our family Christmas celebration from 11am until 1pm. Please bring along a plate of food to share as well as a wrapped book for any younger siblings for when Santa visits.
