Well done to all students who participated in the Mildura Eisteddfod representing Werrimull P-12 and the Millewa Ballet and Dance Guild!! You should be so proud of your achievements! You all displayed excellent confidence, behaviour and you all looked fantastic! Thank you to the parents and community members for supporting the students in the organisation of the performance. Also a big thank you and congratulations to Mrs Misha Harris who put in extra time and effort in creating the dances, costumes and teaching the students about performance.

Thursday 4th June we had the Drum Performance visit the school. The students had the opportunity to engage in a music performance with a difference and enjoyed the extra-curricular activity. It is fantastic to see our young people so enthralled and experience something completely different from their day-to-day routine. We endeavour to bring a variety of experiences to our students to open their eyes up to the wider world.

Our 4-6 students have been participating in Cluster Sport over the past few weeks and will head into Red Cliffs on Wednesday for Lightning Premierships. We wish them all best for the sports they will compete in.

Last week our secondary students completed their first lot of exams for the year. The Year 12 students sat their first VCAA (externally set) exam getting them ready for their October/November exams. This exam period allows students to learn what is needed to be successful and what they might need to improve on to get the best results possible.

We also had Mr Whittle take a group of students (Yr 7 & 8) on the first study camp of the year, this year due to being successful in obtaining grants we have different groups attending study trips with the 4 – 6’s planning their’s at the moment for the last week of school. These trips allow the students to learn outside of the classroom and take their knowledge and put it into practice. The students and staff get a lot out of these trips and with the new school bus has made planning trips much easier.

Our 4 Year 12 students got all frocked up and headed to the VCE ball on Friday night. The photos show them all looking very beautiful and from their feedback had a wonderful time.

Yesterday we had school photos, the weather wasn’t the best but the students and photographers worked their magic and all went to plan in the end.
